

The waterproof cloth range encompasses economy grade tapes for general purpose applications and premium performance products for more specialised and demanding jobs. The Scapa portfolio provides the versatility to meet the full spectrum of market applications from nuclear, HVAC, and defence, to agriculture, automotive and entertainment.

Scapa also offers one of the largest ranges of substrates for uncoated cloth tapes in Europe, including cotton and rayon for protection, packaging and electrical applications.

Waterproof and uncoated cloth tape applications include:

- splicing, jointing and repairing
- heating, ventilation and airconditioning
- wrapping and bundling
- fixing and reinforcing
- packaging and masking
- colour coding and identification
- duct sealing

Scapa experts and distributor partners are available to assist in selection of the right product type depending on the specific application.

Scapa cloth tapes offer:

- good abrasion resistance
- flexibility and conformability
- high tack and adhesion
- easy tear
- good unwind
- a wide colour range

Waterproof &
uncoated cloth
tapes provide
high performance
and versatility

Waterproof cloth tapes

Product	Description	Thickness (mm)	Tensile strength (N/cm)	Adhesion to steel (N/cm)	Additional information
1200	Premium performance waterproof cloth tape	0.28	100	3.7	Protects double glazing edges; secures flexo plates in printing; for finishing leatherwork; protection during light sandblasting.
3101	Premium performance waterproof cloth tape	0.3	78.5	4.4	For heavy duty packaging, carpet joining, book-binding, strengthening and identification. Can be overwriten. Good temperature performance.
3105	Specialist performance PE coated waterproof cloth tape	0.29	63	5.0	Specially designed for use in the nuclear construction industry.
3120	Mid range PE coated waterproof cloth tape	0.26	48	4.0	Excellent temperature performance. For duct sealing, fixing cables on film sets, drum sealing and colour coding.
3122	Heavy duty PE coated waterproof cloth tape	0.28	63	5.0	For sealing, bundling, masking and protecting. Approved to DEF standard 81/25 issue 4.
3130	Matt PE coated waterproof cloth tape	0.29	50	3.0	Excellent matt finish. For holding cables and wires, floor marking, and applications where low light reflection is required.
3163	PE coated waterproof cloth tape	0.23	40	5	For general purpose sealing, bundling, masking and protecting where additional thickness and durability is required.
3159 3160 3162	Economy PE coated waterproof cloth tapes	0.14 0.15 0.185	35	4 5 6	General purpose sealing, bundling, masking and protecting tapes. Excellent for joining polyethylene sheeting in asbestos removal applications.
145	Heavy duty cloth with excellent strength and adhesion	0.43	70	7.6	Heavy duty applications or requirements for high tack and adhesion.
T3601	Specialist performance PE coated waterproof cloth tape	0.22	35	6.0	Fire-retardant adhesive, meets the requirements of FAR 25.853(a) for cloth tape fire-retardancy.
125 225	Vinyl coated cloth tape with high tack and strength	0.27 0.30	75 77	2.8 6.4	Gaffer tape for spot marking and holding. Printable and with higher tack.

Uncoated cloth tapes

Product	Description	Thickness (mm)	Tensile strength (N/cm)	Adhesion to steel (N/cm)	Additional information
1190	Cotton tape with rubber adhesive	0.28	90	3.5	Protection of tube ends, metal sheets and hoses, reinforcement during manufacture.
1690	White rayon cloth tape	0.3	80	3.5	Protection against friction, closure of boxes, strong yet tearable.
3302	General purpose coloured cotton cloth tape	0.26	70	2.8	Ideal for sealing and identification (flight cases, film canisters); floor marking.
3361 3362	General purpose unbleached cotton cloth tape	0.28 0.29	70	2.6 3	Corrosion protection for polished surfaces/machined parts; masking off cats' eyes, grids, manhole covers.
3370	Rayon cloth tape	0.24	80	3.0	For manually bundling cables/wire harnesses. Corrosion protection for polished surfaces/machined parts.
167	Cotton cloth. cohesion friction tape	0.36	84	3.5	Secondary wrap for electrical maintenance spot healing.

The majority of cloth tapes are available in a range of colours. Please ask for details.
